**The McQuarrie Street Development is a new housing area by Fowler Homes.** The newly named Scully Place contains 23 Lots ranging in size from 400m<sup>2</sup> to 598m<sup>2</sup>.

The new homes have been designed to capture the north facing sun and are suitable for family living, investments or someone wanting to downsize their home. The floors plans are unique and include many modern features of a home including a Scullery, Ensuite, Walk-in wardrobes and even single car garages.

The developers wanted to create a safe community environment and included 1.5m wide footpaths on both sides of Scully Place, off-street vehicle bay parking, streetlights, trees, and a wide street – a famous feature of Invercargill.

Scully Place is a private cul-de-sac and is named after Southland World War 1 veteran, Sergeant Major Peter Scully DCM. It is officially recognised as a Poppys Place, which means it is a New Zealand place named after someone

who fought in the World Wars. They are commemorated with a red poppy, ensuring these people are never forgotten.

The development is near to the Kew Bowling Club, Southland Hospital, schools, an early childhood centre and South City Mall not to mention the Elles Road Dog Park.
